

Zanotta and CasaCasa @ Design China Beijing

Zanotta, a leading company in the history of Italian design, takes part in the third edition of Design China Beijing which will take place at the National Agricultural Exhibition Center from 23 to 26 September during the Beijing Design Week.

After the success of the last years, the 2020 edition of Design China Beijing will showcase the latest global design trends, attracting an audience of architects, designers, accommodation, retailers, press and design lovers.

At Design China Beijing, Zanotta confirms to be an excellence of Made in Italy through the quality of the furnishing solutions proposed as a result of a precise corporate vision. At the stand, set up in collaboration with the local partner **Casa Casa**, the company presents some historical icons by the great Masters, such as Gilda by Carlo Mollino, Joy by Achille Castiglioni and Quaderna by Superstudio, alongside best-seller products, such as the William sofa by Damian Williamson or the Grangala bed by Gabriele Rosa.
